Attachment 4

To: Ronny J. Coleman, Chairman
Statewide Training and Education Advisory Committee
c/o State Fire Training

From: Michael A. Garcia, Deputy State Fire Marshal III

Subject/Agenda Action Item: National Fire Academy (NFA) Off-Campus Program

Recommended Actions: Information/Discussion

Background Information:

The Office of the State Fire Marshal has received approval for up to nine (9) two-day off campus, and three (3) six or ten day off campus courses for federal fiscal year 2015. To date, five (5) of the two-day courses have been assigned. With (4) courses allocated to northern and (1) to southern California fire departments. None of the 6-10 day courses have been requested. We have up to 4 remaining two-day courses and all (3) six-ten day courses available. The NFA course call period closes on September 30, 2014.

Analysis/Summary of Issue:

It is anticipated that all remaining available two-day off campus courses will have been assigned to fire departments statewide, with a update report to STEAC at the January, 2015 meeting. A matrix advertising the NFA courses and locations will be developed and placed onto the State Fire Training website.
